REISSUE APPLICATION DECLARATION BY THE INVENTOR	Docket Number (Optional)
<p>I hereby declare that:</p> <p>Each inventor's residence, mailing address and citizenship are stated below next to their name.</p> <p>I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed in patent number <u>US 6,629,899 B2</u>, granted <u>Oct. 7, 2003</u> and for which a reissue patent is sought on the invention entitled <u>Inflatable Hoop / Basket / Goal</u>,</p> <p>the specification of which</p> <p><input checked="" type="checkbox"/> is attached hereto.</p> <p><input type="checkbox"/> was filed on _____ as reissue application number _____</p> <p>and was amended on _____ (If applicable)</p> <p>I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.</p> <p>I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.</p> <p><input checked="" type="checkbox"/> I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/02B (or equivalent) listing the foreign applications.</p> <p>I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)</p> <p><input type="checkbox"/> by reason of a defective specification or drawing.</p> <p><input checked="" type="checkbox"/> by reason of the patentee claiming more or less than he had the right to claim in the patent.</p> <p><input type="checkbox"/> by reason of other errors.</p> <p>At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:</p> <p>Applicant was the first to develop a game with an oversized inflatable goal comprising a plurality of leg members and having a horizontal annular member having a central opening to allow passage of an oversized ball in combination with a ball for use with said goal. Applicant's claims inadvertently failed to claim this feature, thus applicant claimed less than he had a right to claim.</p>
